The Magisterial section of my office comprises of 5 lower division clerks and one upper division clerk (who is the Magisterial head clerk). Of these the posts of three lower Division clerks are temporary. One lower division clerk was newly sanctioned by the Government in G.O.Ms.No.3348 Revenue department dated 18.12.52 to cope up with the increased work in the Magisterial section, The post of another temporary lower division clerk which was sanctioned for the increased work in the same section has been ordered to be retained for a further period of 1 year from 19.2.53 in G.O.Ms.No.354 Revenue dated 5.2.1953. The remaining one temporary post which was last sanctioned in G.O.No.R.1505 Home department dated 9.5.52 is due to expire on 31.5.53. This was sanctioned for the increase in the work in the administration of the Indian arms and explosives acts.

2. The statistics of the work attended to by the temporary lower division clerk is furnished in the statement appended. This will show that the work of this clerk has slightly decreased. It is due to the fact that some of the subjects which were attended to by this clerk were transferred to other clerks, as his work was found to be unmanageable and voluminous. In this connection I would like to mention that the work in a particular branch or with a particular clerk cannot be judged only by means of the number of papers received, as there are other items of work such as periodicals, maintenance of the gun licence and other registers etc. Besides this the clerk has to attend to a good number of papers, such as G.Os., B.Ps and other papers which are not assigned new case register numbers.

3. When I took charge of this district I found that the work not only in the Magisterial section but in the entire Collectorate was heavy. So I sent a report in my Ref.C2. 6004-52 dated 25.9.52 furnishing all the information required for the sanction of one more lower division clerk and my proposal was recommended by the Board in its Ref.No.M.30/52-1 dated 22.10.52 and the post was sanctioned in G.O.Ms.No.3348 Revenue department dated 18.12.52.

In view of the above facts the further retention of the lower division clerk whose term expires on 31.5.53 is quite justified. I recommend that the Government may be pleased to sanction the further retention of this post for a period of one year from 1.6.1953.

Yours faithfully,

For Dt.Magistrate.
